23 years – 09/10/1999

I am a graduated journalist by the Autonomous University of Barcelona. Since I was little I was passionate about the world of communication and languages, and that is why I chose this degree. I have studied English since I was 4 years old and I can say that my level is quite high, I lived in London for a year without any problems, as far as the language is concerned. In 2019 I passed the C1 Cambridge Exam. In 2018 I obtained the title of instructor in children's and youth free time.
