PROFILE

I'm an Economics student with experience in content writing. Over the years I have gained knowledge in various aspects of content creation, including blog posting, writing, and SEO. These experiences have allowed me to develop a strong set of skills that I am confident in utilizing in any relevant project. I am now seeking new opportunities that can challenge me creatively, or that are related to financial or statistical areas. I am eager to apply my skills to new challenges and learn from the experiences along the way.
