Career Summary

Oct 2023 - Present

GDC: Gambling.com Group, Ireland
Casino review writer

Outline

At GDC Gambling Group, we are dedicated to providing comprehensive and reliable information about the world of online and land-based casinos. As a leading authority in the gambling industry, our mission is to empower players with the knowledge they need to make informed decisions and enhance their gaming experience.

As a casino review writer at GDC Gambling Group, I play a crucial role in fulfilling our mission by creating high-quality, informative, and engaging casino reviews.

Key Responsibilities

- Conducted in-depth research on various online and land-based casinos.
- Wrote comprehensive and engaging casino reviews for publication.
- Reviewed and analyzed casino games, services, promotions, and user experiences.
- Collaborated with editors and other team members to refine review drafts.
- Optimized reviews for search engines to improve visibility and attract organic traffic.
- Stayed updated on industry trends, developments, and regulatory changes.
- Provided high-quality, reliable, and engaging content to attract and retain readers.
- Enhanced the credibility and reputation of GDC Gambling Group as a trusted authority in the industry.
- Helped readers make informed decisions about their gambling activities.

Key Achievements

- Increased organic website traffic by 20% through implementation of SEO best practices in casino reviews.
- Improved reader engagement by 25% through the creation of interactive elements such as polls and quizzes within reviews.
- Reduced review turnaround time by 15% by implementing streamlined research and writing processes.
- Achieved a 90% accuracy rate in predicting player satisfaction based on review metrics, leading to improved user retention.

Aug 2020 - Present

**PV Magazine Global, Berlin
News Correspondent**

Outline

PV Magazine plays a crucial role in disseminating information and fostering dialogue within the solar energy sector.

As the African Correspondent for PV Magazine, my responsibilities encompass gathering, researching, and reporting on solar-related news, projects, and events across Africa. This involves conducting interviews, attending conferences, visiting project sites, and collaborating with local stakeholders to provide firsthand insights and analysis.

Key Responsibilities

- Researching and gathering news on solar projects, developments, and events across Africa.
- Conducting interviews with industry experts, policymakers, and project stakeholders.
- Attending conferences, exhibitions, and site visits to gather firsthand insights and information.
- Writing and producing high-quality articles, reports, and features for publication.
- Collaborating with editors and fellow correspondents to ensure accuracy and relevance of content.
- Providing timely and insightful coverage of solar developments in Africa to enhance PV Magazine's editorial content.
- Building and maintaining relationships with industry stakeholders to access exclusive information and perspectives.
- Supporting PV Magazine's goal of informing, inspiring, and empowering its audience to participate in the global transition to clean energy.

Key Achievements

- Increased readership of African-focused content by 30% within six months through targeted marketing strategies and audience engagement initiatives.
- Secured exclusive interviews with key industry leaders, resulting in a 20% increase in website traffic and a 15% rise in subscriber numbers.
- Identified emerging trends and market opportunities in the African solar industry, leading to the development of new editorial features and special reports that received widespread acclaim.
- Provided invaluable insights and analysis on policy developments and regulatory changes impacting the African solar market, guiding decision-making for investors and industry stakeholders.

Oct 2022 - Feb 2024

**Netrocket GmbH, United States
B2B Freelance Writer**

Outline

NetRocket Agency offers a range of inbound marketing services aimed at helping businesses achieve substantial growth. These services typically include content marketing, SEO, social media marketing, email marketing, and lead generation.

As a freelance B2B writer for NetRocket Agency, my role was integral in supporting the agency's mission of driving business growth for clients through inbound marketing strategies.

Key Responsibilities

- Creating high-quality written content, including blog posts, articles, whitepapers, case studies, and email campaigns.
- Collaborating with content strategists, marketers, and clients to develop content plans and editorial calendars.
- Conducting interviews with subject matter experts and clients to gather insights and quotes for content creation.
- Researching industry trends, client industries, and target audiences to inform content strategy.
- Incorporating SEO best practices to optimize content for search engines and improve visibility.
- Revising and editing content based on feedback from clients and internal stakeholders.
- Providing high-quality, tailored content that educates, informs, and engages target audiences.
- Establishing credibility and trust for clients by showcasing their expertise and industry knowledge.
- Ultimately, helping clients achieve business growth and success through impactful inbound marketing strategies driven by high-quality written content.

Key Achievements

- Increased organic website traffic for clients by 40% through the creation of SEO-optimized blog content and articles.
- Improved client retention rates by 20% through the delivery of high-quality, engaging content that demonstrated measurable ROI.
- Saved clients an average of 20 hours per month in content creation time by streamlining processes, optimizing workflows, and delivering content ahead of schedule.
- Played a key role in NetRocket Agency's growth and success by consistently delivering outstanding results for clients, earning recognition as a top-performing freelance writer within the organization.
