Summary

Looking for an experienced and skilled full-stack WordPress developer who can bring your online presence to the next level?

Look no further! With over 10+ of experience in the industry, I have mastered the art of crafting premium WordPress themes and plugins not only look stunning but also function flawlessly.

My portfolio boasts a wide range of successful projects, including eCommerce sites, portfolios, and more. With my expertise in overseeing product releases, you can trust that your project will be delivered on time and to the highest standards.

My reliable solutions have been used by clients around the world and have been recognized by top platforms such as ThemeForest and WordPress.org. Don't settle for anything less than the best. Let's work together to create an unforgettable online presence that truly stands out.

Experience

Senior WordPress Developer
Quikipay

Jul 2019 - Jul 2022 (3 years 1 month)
Quikipay is an online payment gateway powered by Quickex. I developed a WooCommerce addon plugin for Quikipay and integrated different cryptocurrencies and payment APIs in the plugin. Additionally, I designed and developed their introductory website.
