Experience

June 2008 – Present

Electromidia - Perfil

eletromidia.com.br - www.perfil.com

Design Coordinator & UX/UI Designer. Responsible for the design and implementation of the advertising plan for major client accounts:

- Advising clients on the most appropriate advertising media
- Adaptation of the client's content to the corresponding media
- Coordination of storyboards and materials management
- Creation of brand manuals and isologo
- Design of graphic advertising pieces, web, video, and animation (motion graphics)

Among the main achievements are:

- Set up and coordinate the design area, with all its procedures and assemble a work team
- Producing a commercial for McDonald's, which competed in advertising awards
- Developed non-traditional advertising for Nike that included technology and games in their branches

September 2014 – November 2020

DEDO

Av. Dorrego 1940 4i

Visual Designer & Digital Creative

- Responsible for the graphic and digital design of integrated campaigns for national clients (Quilmes/Brahma, Paladini, Natura) and international clients (Netflix, MTV, Disney/Marvel, Johnson & Johnson).
- Created key visuals, visual identities, social media assets, commercial presentations, and audiovisual content.
- Developed creative concepts alongside the strategy and accounts teams.
- Participated in the design of websites and landing pages, with a strong focus on UX/UI communication.
- Coordinated with external designers and digital production vendors.
- Collaborated with the Art Direction and Operations departments to ensure consistency and efficient delivery of materials.

August 2007 – May 2008
