PROFILE

Highly skilled and dedicated writer with a proven track record of delivering exceptional results. With my background in writing I am able to demonstrate a versatile writing style, adapting to various audiences and genres while consistently maintaining a high standard of quality. Also known for meticulous attention to detail, strong problem-solving abilities, and a passion for delivering impactful and engaging written content.

EMPLOYMENT HISTORY

- ❖ **Pharmacy Technician, Walgreens** Sep 2022 — Present
Chicago
 - Developed and implemented highly efficient processes for prescription processing, encompassing data entry, insurance verification, and prescription filling, resulting in streamlined operations and enhanced productivity.
 - Showcased excellent skills in inventory management, actively monitoring stock levels and meticulously organizing medication supplies.
 - Instrumental in resolving medication-related issues by applying critical thinking abilities and efficiently addressing patient concerns, resulting in improved overall patient satisfaction.
 - Minimized legal risk by consistently adhering to regulatory standards, ensuring patient confidentiality and pharmacy operations.
- ❖ **Secondary Data Analysis, University of Urbana-Champaign** Oct 2021 — May 2022
Urbana
 - Conducted comprehensive secondary data analysis within the University of Illinois Health Department, examining diverse health-related datasets.
 - Developed and implemented rigorous quality control measures to ensure data integrity, accuracy, and reliability throughout the analysis process.
 - Played a pivotal role in identifying patterns, trends, and disparities within health data, contributing to the understanding of public health issues and the development of targeted interventions.
 - Mentored and trained junior team members on data analysis techniques and software tools, fostering a collaborative and knowledge-sharing environment.
- ❖ **Writing Consultant, University of Illinois at Urbana-Champaign** Aug 2020 — May 2022
Urbana
 - Provided individualized writing consultations to students at the University of Illinois at Urbana-Champaign, offering guidance and feedback to improve their writing skills and academic performance.
 - Demonstrated strong interpersonal skills by establishing rapport with diverse student populations and creating a supportive and inclusive environment conducive to effective writing consultations.
 - Developed tailored strategies and writing plans to address specific student needs and enhance their overall writing proficiency and confidence.

EDUCATION

- ❖ **University of Illinois at Urbana-Champaign**
BS in English Literature Urbana-Champaign
 - Cumulative GPA: 3.6, Major GPA: 3.9
