

# ROSTYSLAV BACHYK

## DELIVERY DIRECTOR

I'm a Delivery Manager with 20 years of experience in the IT industry. Successfully delivered over 45 projects with different team size from 1 developer to team over 80 people.

I often act as a bridge between the business and development teams so two worlds can speak the same language. I have experience with executing projects thru different phases, starting pre-sale, engagement, development, testing, and maintenance till successful delivery. I'm good with a delegation, team motivation, budget planning & execution, very good communication skills. Disciplined, attentive to details. Have a very strong technical background.
